

BIOGRAPHY

Marike Wepener

**Interim Sale Leader Hitachi Vantara
Commercial Territory Account Manager Africa**

Marike's journey in the information technology industry began over fifteen years ago at a local systems integrator whereafter she joined Hitachi Vantara, then Hitachi Data Systems. She has worked in various roles within the business, starting from her early days collaborating with technical customer engineers to taking on operational responsibilities. For the past six years, Marike has been closely involved in collaborating with partners, customers, and alliances to develop tailored commercial solutions across the African continent. Marike is deeply passionate about contributing to a sustainable future for the next generation, and finds fulfilment in being part of an organisation that shares these values.
